בס"ד

Welcome to your פְּרָכוֹת Workbook!

By the time you have completed this book
you will know a lot about פְּרָכוֹת.

You will also know many פְּרָכוֹת
that you did not know before.

However, the purpose of this book is not just to teach you *about* פְּרָכוֹת -
**we learn in order to know, to understand
and to *do*!**

So, as you move through the book, make an effort to
say פְּרָכוֹת you already know
more *regularly*
and more *carefully*,

but also do not miss opportunities to

start saying פְּרָכוֹת that you have not said before!
