

Year 3 ~ Week 4

הלכה of the Week

~ נטילת ידים ~ How to perform the morning ~

One should take a utensil filled with water in his right hand and pass it to his left hand in order to wash the right hand first. One should wash each hand three times, in this order:

right, left, right, left, right, left

Some people wash each hand four times.

It is best to wash each hand right up to the wrist.

One should use an uncracked utensil for נטילת ידים - a round cup or glass that does not have a lip for pouring.
