

My Teacher Had Real Faith in Me

by J. Richards

My teacher had real faith in me

And used to say so, too

“If you work hard

I have no doubt there’s nothing you can’t do!”

Those choice words have remained with me

And after all these years

It’s great to hear my teacher’s voice

Still ringing in my ears.

Life’s challenges may run at me

But I’ll stand strong and cope

So long as I can hear those words

That warmed my heart with hope.
