5 Minutes a Day Reading Practice Card

בס"ד

Name: _____ Yr. 3 Autumn Term 2009

Parents, please write your initials in each box once you have heard your child read, plus any short comment. Longer comments can be written on the reverse of this card. Thank you.

The passages to be read can be found in the blue 'Siddur Chinuch' that was presented at the Chagigat HaSiddur, on the pages noted at the top of each column. We have deliberately chosen passages that will be familiar to the children, in order to give them an opportunity to learn to read them properly and carefully. Complete the task if you can, but you need not exceed 5 minutes.
